

## State Water Resources Control Board

### NOTICE OF APPLICATION 32696 AND PETITION FOR CHANGE PURSUANT TO WATER CODE SECTION 1707 FOR LICENSE 9420B (APPLICATION 21256B)

COUNTY: Mendocino

STREAM SYSTEM: Navarro River

On July 14<sup>th</sup>, 2016, Anderson Vineyards, Inc (Applicant/Petitioner) filed an application to appropriate water from Indian Creek tributary to the Navarro River. Application 32696 seeks to divert up to 50 acre feet of water from using an existing point of diversion currently authorized under License 9420B into an existing offstream reservoir from November 1 of each year to May 31 of each succeeding year for irrigation, frost protection, heat protection, and landscaping purposes. The proposed diversion will be used to replace the applicant's existing summertime diversion with the goal of increasing summer streamflow for the benefit of native coho salmon and steelhead, in conjunction with the Water Code Section 1707 petition described below.

On April 27, 2017 the Applicant/Petitioner filed a petition for change in place and purpose of use pursuant to Water Code Section 1707. The petition proposes to dedicate 71 acre feet per year of water diverted under License 9420B to instream beneficial use to enhance the flow of Indian Creek and the Navarro River for the benefit of fish and wildlife preservation and enhancement. There will be no construction or ground disturbance as a result of this petition, nor any increase in the place of use or irrigated acreage.

Any correspondence directed to the Applicant/Petitioner should be sent to the following contact: Anderson Vineyards, Inc, c/o Robert Gibson, P.O. Box 67, Philo, CA 95466 or by email at [bgibson@roedererestate.com](mailto:bgibson@roedererestate.com).
